A CHRISTIAN MINISTRY TO THE MEN OF TODAY AND TOMORROW

Greetings Friends,

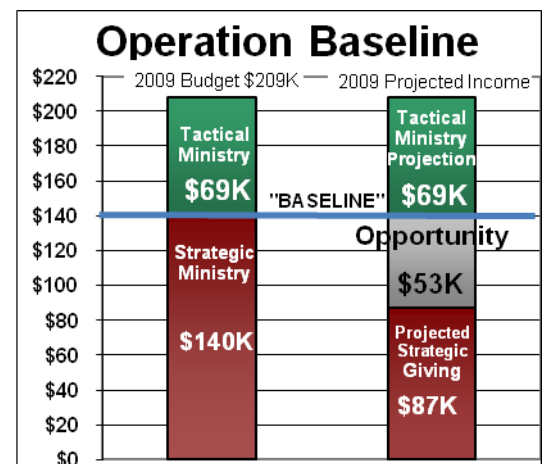

In November of 2004, God called me to full time ministry to men. My family and I responded to His urging in the summer of 2005; leaving a family business to start Noble Warriors. In four years, **God has faithfully honored our commitment by providing incredible opportunities for fruitful ministry.** The journey has been exciting, challenging and rewarding. **Greater opportunities and challenges lay before us.** Some of those challenges and opportunities are financial.

Our ministry budget for 2009 is a total of \$209,000. Of that, we expect approximately \$69,000 will come from ministry events and resources such as Iron Sharpens Iron Conferences, the Noble Warriors Manger Build, Couples Adventure Dates and radio sponsorship. This leaves \$140,000 of the budget to be funded by faithful ministry partners. The current level of giving leaves a **gap of \$53,000.** This creates **opportunity for Kingdom investment.** We're calling this opportunity **Operation Baseline.**

To this point, the shortfall has been absorbed through cash flow management, minimizing expenses, **postponing purchases, forfeiting ministry opportunities and even skipping paychecks.** Regrettably, I have avoided the one thing that I am now compelled to do.

**Ask boldly and strategically for help from you.**

We currently have **45 regular monthly partners who invest nearly \$5,000 per month in this Kingdom work.** In the past eighteen months, over 400 individuals, businesses or churches have made some financial investment in the ministry. These **investments have allowed us to impact thousands of men, marriages and families representing hundreds of churches.** God has truly multiplied the impact of investments made thus far. **To Him be the Glory!**

I hope you will agree, God is nowhere near finished the work He has prepared for us here. So, **I need your help.** Would you prayerfully **join the Noble Warriors team as part of Operation Baseline?** Your monthly partnership will help us reach a Baseline support mark of \$140,000. **I'm challenging you to do the following within 30 days.**

1. **Pray for Gods guidance** on how you should respond to this request.
2. **Fill out the enclosed Operation Baseline Response Card** to let us know how God prompted you to invest, and **Mail the card back with updated information and your response** in the enclosed envelope. --- or ---
3. **Visit [www.noblewarriors.org](http://www.noblewarriors.org).** Click the Donate Button at the bottom of the page to commit to **pray, make an automatically recurring monthly investment or a onetime gift via Click and Pledge.**

I am enclosing a copy of our I'll Go First! Ministry plan for the '09 - '10 season. You'll find more information about these events on our website. We're looking forward to seeing God use this plan to Call Men OUT and UP. We'll also look forward to hearing how God prompts you to partner with us in these endeavors.

Serving Adventurously,

Mike
