

BATTLE BRIEFING

A MONTHLY LETTER TO OUR PARTNERS

GOD IS GOOD! ALL THE TIME!

We felt his goodness in such a tangible, encouraging way as we held The Noble Man Conference in April—our first since early 2020! It was good to be back in the fellowship of hundreds of men and hear them praying together and worshipping the Father.

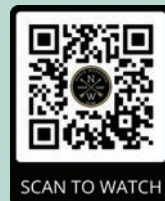

Why do we fight so hard to keep this going, investing, planning, bringing in speakers from many ministries, and coordinating dozens of volunteers?

Impact! Men walked away impacted, never to be the same again.

Lives were changed. You've got to hear the testimony of Denis, who came to **The Noble Man Conference** a few years ago. He bought tickets hoping it would benefit his son. When his son couldn't go, Denis went anyway. **As a result, he went from being a lukewarm Christian to a true disciple of Christ who is also discipling others.** He co-leads a men's ministry, leads a sixth-grade ministry, and started a small group that grew from just being his family to now 30 families every week. In his words, **"I haven't slowed down! God wants me to do more!"**

You are a partner in changing men's lives in this way. You pray for us faithfully, and you invest in the work of Noble Warriors financially. **We share testimonies like these with you because we want you to see the fruit of what God is doing through your faithfulness!**

"By this my Father is glorified, that you bear much fruit and so prove to be my disciples." John 15:8

THANK YOU FOR YOUR PRAYERS & FINANCIAL SUPPORT

JOIN US IN PRAYER

Pray for each man who attended the conference, that the seeds God planted in them would continue to grow and produce fruit.

Pray for our team as we follow up with leaders from churches who expressed interest at the conference so that we may effectively develop partnerships to help equip them to reach and disciple men.

Praise God for the gifts given to sponsor men's ministry training for future pastors & leaders at SEBTS (Southeastern Baptist Theological Seminary).

GIVING TIP

21 seminary students were sponsored at \$100/student from the conference offering. Praise God for men's hearts in giving to train future pastors and leaders in seminary to prioritize men's discipleship!

It's not too late to give a percentage of your tax refund to this training.

YOUNG FAMILY UPDATE

ZACH has spent most of April in Greece. His unit is receiving their Chinooks and preparing to fly to their assigned post in Eastern Europe. He led a Bible study on Easter morning with 7 other believers. They celebrated the resurrection and discussed the significance of that region in Christian church history.

April has been grueling for **BEN** with many senior projects for his engineering classes. He was the best man at a cousin's wedding in late March and brought a couple of guys from Raleigh to experience The Noble Man conference. He's gearing up for his summer mission to South Asia.

LIAM is scheduled for his second open heart surgery in May. Thanks for your continued prayers for him and their family. We'll share an update next month.

HANNAH and her roommate, Lorraine, joined us for worship on Easter Sunday. She's making plans for summer work and fun.

NW TEAM HIGHLIGHT

KAREN HUTTON (NW Administration) and her family experienced God's goodness in an unexpected way this month. In a freakish accident, an older neighbor ran into and totaled two of their cars and damaged their garage door and a basketball goal. Thankfully, no one was hurt! Through that incident, the Huttons have been able to have gospel conversations with neighbors and even pray with the man behind the wheel. They are thankful for God opening doors—even through property damage. Only He can bring glory from a mess like this!
