

BATTLE BRIEFING

A MONTHLY LETTER TO OUR PARTNERS

GRATEFUL FOR FAITHFULNESS

God is faithful. Are you looking for it? Do you see it? We see his faithfulness in the good that He has surrounded us with, and if we have an open-heart posture toward God, it is often in the difficult times we see his faithfulness even more.

WE ARE PRAISING GOD THIS MONTH FOR SOME SPECIFIC WAYS HE HAS SHOWN US FAITHFULNESS.

Faithful Givers

Our fundraising goal for 2022 to cover ministry expenses and growing needs was larger than ever, and your giving was record-breaking! It's the most we have ever received through year-end giving. **Thank you for choosing to invest your resources for the kingdom in Noble Warriors.**

Faithful in Conference Ministry

It's been three years – hard to believe! **Our staff is working hard planning the Noble Man Conference for April 15th.** For our newer staff members, this will be their first conference. We have missed this fellowship with men across the region, and I know you have too. We're already getting inquiries about details. Don't worry – they're all coming soon!

Faithful in Our Family

If you read our November partner letter, you know that our son Tim and his wife Caroline welcomed their 2nd son into the world in January. Born on January 18, Liam Jeffrey looks perfect! **But as expected, he will be undergoing treatment for a congenital heart condition discovered before birth. A difficult circumstance, to be sure, but we see the hand of God throughout all of it.**

FAITHFUL DOESN'T JUST DESCRIBE WHAT GOD IS DOING; FAITHFUL IS WHO GOD IS.

"If we are faithless, he remains faithful— for he cannot deny himself."
2 Timothy 2:13

We are grateful to God for aligning us with incredible ministry partners like you who love and support Noble Warriors' mission for biblical manhood and our family personally!

THANK YOU FOR YOUR PRAYERS & FINANCIAL SUPPORT

JOIN US IN PRAYER

Praise for faithful givers who continue to support Noble Warriors with their prayers and finances - breaking a record in December giving!

Pray for our team as they organize and prepare for our first conference in three years. For many of them, this is their first conference!

Pray that God will already be preparing the hearts of the men He will be raising up to attend The Noble Man Conference in the spring.

GIVING TIP

Now's a great time to evaluate what mission & ministries you're passionate about and how to invest in kingdom work. **We pray that the mission of NW is a passion for you!**

YOUNG FAMILY UPDATE

HANNAH turned 18 over Christmas break! She's now back at the University of Lynchburg for her second semester. She's excited about her ethics class and works at the campus grill. She was glad to reconnect with her roommate, Lorraine, and other friends.

BEN is the family mechanic and worked on his vehicle and others over break. He's back at NC State with two grueling semesters left before he graduates. He's preparing for a spring break mission trip in the Middle East and a summer mission in South Asia.

ZACH is excited to host small group gatherings at his house, which totally looks like a bachelor pad. (Think handmade wood tables, a plaid sofa and loveseat, and his bearskin rug.) He's working long hours as his unit prepares to deploy to Europe later this spring.

Our entire family enjoyed celebrating Christmas with **TIM, CAROLINE, AND OWEN** in Columbus, GA. Tim and Caroline made us grandparents again with the birth of **LIAM JEFFREY** on January 18th. He's beautiful, but he was born with a major heart defect known as HLHS. Essentially, the left side of his heart did not develop. He had open heart surgery at five days old and will face many challenges. You can follow his journey and prayer needs at caringbridge.org/visit/babyyoungandfamily.

I'M continuing my DMin work in addition to Noble Warriors. **STACY** is leaning into NW partnership development more as God grows the ministry. We're also frequently traveling back and forth to Atlanta to support Tim and Caroline with Owen and Liam. **We are so thankful for your prayers and support for our family!**
