# BATTLE BRIEFING

A MONTHLY LETTER TO OUR PARTNERS

## EXCITEMENT IS BUILDING!

Karl Nockengost is our man on the ground in the mission to bring back **The Noble Man Conference** on April 15. He may be new to Noble Warriors, but he's not new to Richmond.

After 25 years pastoring and running conferences in Delaware, he's back here in his hometown and at it again with **The Noble Man**, and he's seen and been blessed by some really cool things.

He's met a ton of enthusiastic supporters of men's ministry, **Noble Warriors**, and **The Noble Man Conference**.

We have a new location at **Cool Spring Baptist Church in Mechanicsville, VA**. Their desire to participate in this has been huge.

Churches are responding immediately. They are ready to come back to this. As soon as we sent out information, we had **30 churches requesting Battle Plan resources** right away.

***"The people I have met are very excited about the conference. They are thrilled that it is coming back, and they are making plans to attend."***

We're told in 1 Chronicles 12:32, as David gathered mighty men to join him, that the men of Issachar were ***"men who had understanding of the times, to know what Israel ought to do."***

As men, we need to understand the times. As David and his men were wise, we need to be wise. As they were strategic, we need to be strategic.

**THANK YOU FOR PARTNERING WITH US IN STRATEGIES LIKE THE NOBLE MAN CONFERENCE TO REACH MEN TO UNDERSTAND THE TIMES.**

Knowing how many men are already preparing their hearts to participate is encouraging, and it is exciting to come alongside churches in this mission.

## THANK YOU FOR YOUR PRAYERS & FINANCIAL SUPPORT

### JOIN US IN PRAYER

**Praise the Lord** that He brought Karl to serve as Conference Director with the Noble Warriors team!

**Pray for willing volunteers** to rise up and serve at the conference.

**Pray for God's hand to be on our conference planning** as the Noble Warriors team works to finalize all the details over the next several weeks. It's getting close!

### GIVING TIP

Our ability to give generously comes from God. **He is our supply.** (2 Cor. 9:10)

Everything we have, and everything else that exists, is all his. **Every good and perfect gift is from above!** (James 1:17)

## YOUNG FAMILY UPDATE

**MIKE AND STACY** have spent much time this month at the Children's Hospital in Atlanta. **LIAM'S** first 2 weeks of life were full of ups and downs, with open heart surgery and several emergency surgeries. We truly felt the prayers of believers to carry us through the emotional roller coaster of his journey.

**TIM AND CAROLINE** are thankful for Liam's progress and the projected timeline for bringing him home in early March. It has been difficult and requires leaning into God's Word and promises for hope and strength. At 1 month old, Liam finally met big brother **OWEN** whose face shone with the awe and wonder of touching his baby brother!

Stacy made a quick visit to **ZACH** to share some encouragement and make some pie with homemade crust! His deployment to Europe has moved up to the end of March, and his platoon is pushing hard to meet the compressed schedule while also suffering the sudden loss of their platoon sergeant and friend. During this tough circumstance, he's having gospel conversations with his soldiers. Pray for their hurting hearts and for God to reveal hope to this platoon.

**BEN** is pushing hard with 19 credit hours and preparing for a spring break mission trip to the Middle East and a summer mission trip in South Asia. He's involved in several small group Bible studies, and his days are long! Mike and Stacy celebrated his 22nd birthday with dinner out and cake to share with other college students - always a hit!

**HANNAH** is enjoying her 2nd semester at college. She and her roommate are discovering the college ministry at their local church since they have access to a car! She also works part-time at the campus grill during the lunch hour rush. During her spring break, she'll be able to spend some time with Zach before he leaves.

February has been a blur. **Through it all, we are grateful that God answers our prayers for our children in wonderful, though sometimes hard, ways!**
