

# MARCH MONTHLY PARTNER LETTER

## CELEBRATING FREDERICKSBURG ISI!

*Iron sharpens iron, and one man sharpens another. Proverbs 27:17*

Conference season is busy, challenging, frustrating, draining and exciting... All at the same time. The Noble Warriors team labors together to see men sharpened across the state. Every man has a story and every man is impacted by some aspect of the conferences. **On Saturday, February 25th, over 600 men encountered Christ and were sharpened at our Fredericksburg event. These testimonies from participants will give you a taste of how God worked...**

### Through Workshops...

*Steve Gross' presentation on discipleship was simply outstanding. It really touched my heart and was delivered with such down-to-earth humility and with the wisdom of 40 years experience.*

*Dustin did a great job making the presentation fun and engaging. I want to expose my son to the outdoors as he grows up.*

*The workshop dealing with anger. I will take time to examine the triggers that make me angry and why.*

*Greg Beechaum said we need to be more disciplined, not retire and get fat but stay active and lean in to the spirit, that was life-changing for me.*

- ▶ Pray that testimonies, resources and encouragement will continue to help men with specific needs and concerns in their faith-walk.

### Through Lunch & Fellowship...

*Even for lunch we tailgated and exchanged ideas and fellowship.*

*The conversations with men I did not know in between sessions. Great to talk through life experiences together. I'm looking forward to attending conferences in the future. I met some really good godly men!*

- ▶ Pray that men will continue in fellowship with other Godly men!

### Through Worship...

*Seeing 72 churches and men and fathers praising God! Being a Children's Pastor, I'm not in service much. It was great to be in worship. I really got to bask in God's presence.*

*The large number of men and the diversity of men made it exciting.*

- ▶ Pray that the worship experience will encourage these men in their private worship but also that they would encourage others to worship the King of Kings boldly!

### Through Keynote Messages...

*Eric Ludy - Fact, Faith, Experience. I LOVED the way you broke this down!*

*Jonathan Evans - I took notes and walked away with tools to help me as a Christian man.*

- ▶ Pray that the powerful keynote messages about walking faithfully with Christ will continue to resonate in men's lives!

## MINUTE WITH MIKE

*And you Philippians yourselves know that in the beginning of the gospel, when I left Macedonia, no church entered into partnership with me in giving and receiving, except you only. Even in Thessalonica you sent me help for my needs once again. Philippians 4:15-16*

I love the fact that Paul shared this update with the folks who invested in his ministry. And that's what you do! Whether by prayer or financial partnership, you invest in this work. **Your support allows us to serve churches as they equip men to walk with Christ and lead.**

This month, we received a report from Fort Polk, Louisiana about how your partnership impacted military families who had an opportunity to participate in The Manger Build ©. **The story was simply too good to summarize, so we shared the whole thing (with some commentary) on an additional page.**

▶ Celebrate with us and praise God for extending the work of Noble Warriors and multiplying your gifts!

## FAMILY UPDATE

**Hannah** sank a free throw to help seal the deal in her conference championship game and she's scheduled for her first babysitting job!

**Ben** turned 16 in February and is looking forward to driving by himself in just a few months! He's also working out with an AAU basketball team and conditioning with the football team.

**Zach's** getting senioritis. He enjoys school but is very much ready for what's next. He has been accepted to one school on his list and is waiting for word from two others.

**Tim** is enjoying having his truck at West Point and is looking forward to coming home for spring break. His summer schedule with leadership training and NSA internship is coming into focus.

**Stacy's** been busy feeding kids. Our home has become a gathering place for Ben's basketball team and the high school boy's Bible Study.

Timing was hard because of conference season, but Stacy and I were able to get away for the FamilyLife **Love Like You Mean It!** Cruise last month! It was an awesome time of relaxing and refreshing for our marriage!

Conference season is busy for both ministry and family but we're excited about all that God is doing in and through us. We are humbled by and thankful for your faithful prayers and support! It humbles us to hear from so many who pray for Noble Warriors and The Young family!
