

# ROANOKE MEN SHARPENED

The energy and excitement of conference day make it fun. But, the spiritual impact on the men, their marriages, their families and their churches make it worthwhile. **You are part of the NW Team, creating opportunities for men to the challenged and sharpened.** Check out these comments from our **The Noble Man Roanoke** post-conference survey...

## KEYNOTES

### Bryndan Loritts...

**"Do your job!** Whatever God has put you doing, Do Your Job!"

*"Don't give the devil a stick to hit you over the head with."*

### Col. Athens...

*He was a contemporary Daniel, speaking about an ancient Daniel.*

**WOW! And double Wow!** His presentation alone was worth the price of admission.

*Awesome message about being God's man in a Babylon world.*

## CONNECTING

*I loved this event and I was able to experience it with my two older brothers. They are 10 and 13 years older than I and throughout my life, I was always too young to hang out with them. **So this was an excellent experience.** I also can't wait 'til my son is a little older so he can come with me!*

*I really enjoyed myself. **The group I went with was totally engaged** and enjoyed the messages and the fellowship.*

*I came with my pastor and two friends from church and **we had a great dialogue on the trip home** about take-aways and what we enjoyed. Hope to see y'all more on the 29 corridor of CVA!*

## WORKSHOPS

*Very good content, **this was information that is hard to come by.** Very helpful!*

*Excellent, very practical and **immediately applicable.** (Winters, Taking God to Work)*

*The workplace is a wide-open **mission field!***

## WORSHIP

**Gathering with other men to worship God** was awesome to be part of.

▶ **Pray with us that the impact of this day on these men and their churches will continue!**

▶ **Turn to the back page and pray with us for God to move mightily among men in the Fredericksburg and Richmond conferences. Our desire is that men will be different in the evening than the morning because they've encountered Jesus!**

*Now when they saw the boldness of Peter and John, and perceived that they were uneducated, common men, they were astonished. And they recognized that they had been with Jesus. Acts 4:13*

## FAMILY UPDATE

**HANNAH** finished up her assignment as a Page for the General Assembly. Her bill about limiting standardized testing for students was passed by the mock General Assembly.

**BEN** ended his senior basketball season by missing several games with a concussion. He's doing much better and is now focused on college decisions. He's been accepted at VA Tech and NC State.

**ZACH** was selected as a Community Leader for BCM at VT and continues to meet with several guys for discipleship. He and Rachel enjoyed the VTCC Military Ball.

**TIM** is in the woods of GA experiencing Darby phase of Ranger School. We're praying for him constantly! (Curious? Search *US Army Ranger School* on YouTube.)

**STACY** gave us quite a scare with a large blood clot in her left leg that put her in the hospital for 4 days during Roanoke conference week. Many were praying and we're thankful for God's care for her. She's made great progress but is still dealing with some swelling and discomfort.

**Thank you for locking arms with our family and the NW Team to see men transformed by Jesus!**
