

# A RICH HISTORY OF PARTNERSHIP

## Rich Babbitt's rich history with Noble Warriors has many sides.

He met Mike while leading a men's ministry in his church over 10 years ago, and since then he has been a partner in giving, board member, supporter, painter, 'Chick-Fil-A getter', and well, just about anything else you can think of to help the ministry. Most recently he's been shifting around the office and repainting as we go from broadcasting **The Noble Man Podcast** in the warehouse greenroom to creating a versatile podcast studio.

We all know men's ministry looks a little different these days, **and thanks to Rich and partners like you, we continue to pray, grow, change, and go where needed.**

**"Through Noble Warriors, other men are being impacted for the Kingdom. Whether it's painting a room or serving Chick-Fil-A, I know that I am part of that effort."**

It might be on the air with the **Podcast** or on our tailgates with **The Noble Man Tailgate** ministry, but we are stretching and striving to remain faithful to the Noble Warriors mission. **We serve churches as they equip men to walk with Christ and lead well. You make it possible.**

## "I thank my God in all my remembrance of you." Philippians 1:3

- ▶ Praise God for Rich, his family, and his faithful service over the years.
- ▶ Pray that God would provide the necessary equipment and raise up supporters who will join us in building the Kingdom through the ministry of **The Noble Man Podcast**. (Turn the page to see how you can help on Giving Tuesday!)
- ▶ Pray that we can help reduce the isolation of quarantine and connect with many men through the outdoor **Tailgate** events.

## MINUTE WITH MIKE

### Let's Build a Manger!® Kits

Families and church leaders will be looking for new ways to **keep Christ in front of Christmas** this year.

Many traditions and events will be modified. Some will be canceled all together because this will be a **Covid Christmas**.

Will you help others win by pointing them to our **Let's Build a Manger!®** kits? You're likely familiar with our **Manger Build** church events. Group events will not be as popular this year, so we're focusing on the smaller kits.

**Equip families to build a tabletop manger together and use it to help celebrate Christ.** The six hands-on devotional activities bring Christmas to life and encourage Dads to lead their families.

Yes, this is a shameless plug. We'd love to sell our inventory this year. **Would you help us serve families and grow this aspect of our ministry?** (A church in MO just ordered 3 cases of kits because they love the concept!)

### Here are a few practical ways you could help...

- ▶ First - **pray** that the uniqueness of this year will help families experience Christ in rich new ways.
- ▶ Go to **facebook.com/DadsTools** - Like, Follow and Share posts.
- ▶ **Order a kit** for your family or a friend at **DadsTools.org**.
- ▶ Let us know if you would like for us to send a **complimentary kit** to a children's ministry pastor or director you know personally.
- ▶ **Pray** with us that **Let's Build a Manger!®** will help families across the land **keep Christ in front of Christmas!**

# GIVING TUESDAY DEC. 1ST

**Giving Tuesday** will be here soon. Our focus for this year will be ramping up for season 2 of **The Noble Man Podcast**. We've shuffled some office space around to create a recording studio and plan to earmark **Giving Tuesday** gifts for updating equipment, lighting and staging. (We hope to start sharing video in January!)

**Be on the lookout for an opportunity to reach men across the state and beyond!**

# NOVEMBER TAILGATES

**Inspiring. Uplifting. Fulfilling. Fellowship.** These are some of the words folks used to describe **The Noble Man Tailgate - Salem**. We had a great time with food, fellowship, worship and encouragement on October 9th. We have three more scheduled for November and will then evaluate our plan for Spring 2020 events.

**NOVEMBER 6**

**Spotsylvania**

**NOVEMBER 7**

**Waynesboro**

**NOVEMBER 20**

**Lynchburg**

# FAMILY UPDATE

There's plenty going on with the Young family, but the big news is that **TIM** and **CAROLINE** are **expecting a baby in March!** Stacy and I think we're a little *young* (no pun intended) to be grandparents! We are excited about this new adventure!

**MIKE, STACY, BEN** and **HANNAH** traveled to Alabama to see Caroline and attend a baby shower. (Caroline's visiting the mainland while Tim's away for much of October on a training deployment.)

**ZACH** was quarantined for over 2 weeks at VT because a friend tested positive. He didn't get Covid... but quarantine is tough on an extrovert!

**BEN** finished another transmission rebuild and install. That's three so far! He's now helping disciple 10th graders on Wednesday nights.

**HANNAH** played in a basketball tournament in PA. She's racking up the hours of practice driving and may be our best student. (That statement will stir up some controversy!)
