

# YOU FUEL THE AUTHENTIC MANHOOD MOVEMENT

**Reject Passivity / Accept Responsibility / Lead Courageously / Invest Eternally**

Men across Virginia and beyond are familiar with this simple definition of biblical manhood. **Many heard it, learned it, embraced it and live it because of you!**

We share this deep desire to see men walk with Christ and Lead well. We agree that many of our social and cultural ills find their origin in the lives and actions of godless men. Men are looking for answers to tough questions and you've helped them by partnering with Noble Warriors. **Together, we've helped churches launch The Quest for Authentic Manhood and/or 33 The Series groups across Virginia and beyond.**

**Your prayers and gifts fuel the movement that is transforming men, marriages, families and churches! God is at work among us. Here are a few reports...**

**From Pastor Fred Gray at Southside Baptist in Suffolk on Sunday, September 8.** "We kicked off *The Quest for Authentic Manhood* tonight. *Amazing stories for sure.*" (Generally, about 400 attend this church on Sundays. **114 men were present for the first session!**)

**Ironbridge Baptist has kicked off two 33 The Series groups.** Steve and Steve are leading. Dave Foreman from Second Branch has joined... plans to launch 33 at his church soon!

**Pastor Jamie in Waynesboro reports that they have two groups of men going through 33 The Series and their ministry is growing.**

**NW Board Member Rich Babbitt is leading a small group of guys from his church in Johnson City TN through 33 The Series Vol. 3.**

## Thanks for making this happen!

- ▶ Continue to pray for pastors and leaders to make strategic investments in men.
- ▶ Pray also for men to be filled with desire to grow in their faith and capacity to lead. Above all, pray that they will walk faithfully with Jesus, the **ULTIMATE MODEL OF MANHOOD!**

## MINUTE WITH MIKE

### The Quest vs. 33

Both *The Quest for Authentic Manhood* and *33 The Series* are excellent resources to help men understand and live out biblical manhood. *The Quest, Winning at Work and Home* and *The Great Adventure* were released almost 20 years ago and feature the original teachings that Robert Lewis developed for his men at Fellowship Bible Church in Little Rock. Untold thousands of men have been discipled by Robert through these resources.

A few years ago, the teachings were repackaged with shorter videos and content being taught by three men, rather than one. Men's Fraternity 2.0 became *Authentic Manhood: 33 The Series*. Most of the content from *The Quest* and *Wining at Work and Home* are included in the six volumes. The original studies are still available and are now called *Men's Fraternity Classic*.

Both are high quality tools to help men understand biblical manhood. Some leaders prefer *The Quest* others prefer *33*. Both have merits.

## #FOREVERYOUNG

**That's the wedding hashtag for the marriage of our Tim Young to Ms. Caroline Breeden.** They met last November, started dating in January, got engaged in June and married on September 1. At the rehearsal dinner, Tim spoke to the thoughts of many when he said, ***"Yes, this has been fast. But is has not felt rushed. God had this planned all along!"*** We agree.

**The wedding was fun and God-honoring.** Each moment was a delight. Stacy and I enjoy the Breedens so much that we plan to spend time with Jeff and Jetta even when Tim and Caroline aren't around. We're thankful for how God had blessed them and know your faithful prayers for our family have produced these results. **Thank you for praying with us and celebrating what the Lord has done with us!**

**Tim and Caroline are now in Hawaii where he's stationed with the 25th Infantry Division.**

▶ Would you pray specifically for them to delight in these early days of marriage, find healthy Christian community, engage a healthy church that will both feed them and provide opportunities to serve.
