# BATTLE BRIEFING

A MONTHLY LETTER TO OUR PARTNERS

## IT'S CONFERENCE SEASON!

We're excited to bring back a full slate of events this spring.

Conference season kicks off the ministry year for Noble Warriors and many local churches, beginning with our **Leader's Conference on January 23**, a high-impact challenge and practical support for pastors and leaders to make strategic investments in men. We'll follow that with **three regional men's conferences in February and March** with the goal of impacting 2,000 men!

**"To reach a handful of pastors is to reach thousands of men in their churches over the years."**

Pastor Jamie McClanahan, Wayne Hills Baptist Church

### Equipping the Church...

Jesus ministered broadly to the entire community, but He built the New Testament church by making strategic investments in a few men.

Our strategy with conferences is to be a resource to the local church to catalyze their men's ministry. We invest in local pastors and leaders, knowing they are also investing strategically in many men! Making discipling men a priority in the local church builds healthy marriages, families, communities, and churches.

That's why we do it. We are so thankful for those of you who pray, work with us, volunteer, invest in the ministry, and lock arms with us so we can catalyze larger ministry and see the Kingdom multiplied.

**Thanks for being part of that mission!**

**"Pay careful attention to yourselves and to all the flock, in which the Holy Spirit has made you overseers, to care for the church of God, which he obtained with his own blood."**

Acts 20:28
