BATTLE BRIEFING

A MONTHLY LETTER TO OUR PARTNERS

MUCH TO CELEBRATE!

Noble Warriors' conference season has officially concluded, and we have much to celebrate! **We partnered with 199 churches to impact many men!**

In their own words:

As Christian men with many hats to wear at the same time, it is easy to become overwhelmed, weighted, even suffocated ... I came to the conference excessively "weighted" from several areas of life including fatherhood of multiple young adult children and men's ministry; however, I left with a lighter load because of this.

I look forward to the NW conference every year. It recharges my ministry batteries (and) my husband and father batteries as well. Thank you NW Team and all the special speakers!

Uplifting, spirit-filled, energizing time with other men with feet of clay and hearts for God.

The conference was great. It's awesome to be surrounded by like-minded guys who all want to serve God and be the best man they can be for their family and friends.

I thought it was great to be able to come together and grow with a group of men and just worship God together.

I absolutely loved it!!!

THANK YOU FOR YOUR PRAYERS & FINANCIAL SUPPORT

JOIN US IN PRAYER

Praise God for Tim Brown and the Noble Warriors Team! In his first 50 days as the Director of Operations, Tim led four conferences with the help and support of the NW staff and volunteers!

Pray for the men who drove stakes in the ground regarding sins, commitment to marriage, or a call to invest in others.

Pray for the NW team as we follow up with pastors and leaders to equip and encourage them in strategic men's discipleship.

GIVING TIP

Partner with us and receive an exclusive Noble Warriors YETI!

Our monthly partners fuel the post-conference, year-round work of Noble Warriors! As ministry opportunity grows, so does partnership opportunity. **We're celebrating new \$50/month partners and others who increase their monthly gift by \$50** with a limited-edition Noble Warriors YETI tumbler as a reminder to pray for us as you drink your coffee!

Most worthy of celebrating is that ministry to men does not end here. The visible and active conference ministry positions us for the less visible but most important work of helping churches disciple men, not just for a day but for the long term. **Now we get busy with the ongoing behind-the-scenes work of coaching churches, men's ministry leaders, small group leaders, and other willing men.**

We could not do it without the prayers and support of our partners as we coach and equip leaders to fan conference sparks into discipleship flames, where men are truly refined to be more Christlike through the local church.

Thank you!
