

# BATTLE BRIEFING

A MONTHLY LETTER TO OUR PARTNERS

**THANK YOU FOR YOUR PRAYERS & FINANCIAL SUPPORT**

## FROM A CANADIAN FARM TO SEMINARY AND BACK

**The work we are doing at Southeastern Baptist Theological Seminary (SEBTS) is producing exciting international fruit.**

Mike D. was set to work on his family farm in Ontario, Canada, when he felt the Lord's call to become a pastor, so he headed to SEBTS with his wife and three young children for a five-year BA/MDiv program and plans to return to Canada to pastor a church.

**Mike Young connected with Mike D. and his wife at New Student Orientation in the fall.** He jumped into the Monday night Noble Warriors group and loved the *Point Man* book they studied together, and he's already shared it with friends in Canada.

When we met Mike D., he was already on the road to serving the Lord through pastoring. **By God's grace, Noble Warriors has encouraged him in his pursuit and pointed him to resources for men and ways to minister to men. He's already putting that into action!**

Mike D. has plans to lead a group of men through the *Point Man* study this summer. He's got 15 men lined up so far. **"Thanks for the help!"** he says. **"Looking forward to a great summer, and I'm hoping this will be just as impactful for guys back home as it was for me!"**

When you partner with Noble Warriors, you make it possible for us to travel, build relationships, and coach men who will disciple other men. Our calling is, as Paul says in 2 Timothy 2:2, **"And what you have heard from me in the presence of many witnesses entrust to faithful men, who will be able to teach others also."**

It's a privilege to watch God grow faithful men like Mike D. as we continue to serve SEBTS students and future pastors. **It's a pursuit we couldn't do without you, and we thank you!**

### JOIN US IN PRAYER

**Praise God for ministry multiplication!** Work that started in VA and led to NC impact has now moved into Canada!

**Pray for Mike D. from SEBTS** as he leads his group of men in Canada this summer! Pray for continued multiplication as these men study biblical manhood and marriage.

**Pray for their family** as they will welcome their 4th child in June.

### GIVING TIP

When you give generously and sacrificially, it is your act of worship to your Heavenly Father. ## NOBLE WARRIORS UPDATE

Spring 2024 at SEBTS kicked off with six weeks of **Authentic Manhood's 33 The Series Volume 3: A Man and His Traps**. We talked about the deep idols of comfort, control, and significance.

We followed the study with a series of interactive Zoom meetings. Our first was with **Steve Etner, Founder of My Purity Coach and author of Extreme Mind Makeover**. Next up was **Nate Larkin, founder of the Samson Society and author of Samson and the Pirate Monks**. Finally, we were joined by **Sam Black, Director of Life Change Education for Covenant Eyes and author of The Healing Church**.

These young guys have been blessed to have very candid conversations about the lure of pornography and how God's Word and godly men help us walk in sexual integrity.
